

DANIEL F. FROMAN	§	
VS.	§	CIVIL ACTION NO. 5:13cv64
SCOTT YOUNG	§	

Petitioner Daniel F. Froman, an inmate confined at the Federal Correctional Institution in Texarkana, Texas, proceeding pro se, brought this petition for writ of habeas corpus pursuant to 28 U.S.C. § 2241.

The Court referred this matter to the Honorable Caroline M. Craven, United States Magistrate Judge, at Texarkana, Texas, for consideration pursuant to applicable laws and orders of this Court. The magistrate judge recommends the petition be denied.

The Court has received and considered the Report and Recommendation of United States Magistrate Judge filed pursuant to such order, along with the record, pleadings and all available evidence. Petitioner filed objections to the magistrate judge's Report and Recommendation. This requires a *de novo* review of the objections in relation to the pleadings and the applicable law. See FED. R. CIV. P. 72(b).

After careful consideration, the Court concludes petitioner's objections should be overruled. While petitioner objects to the report contending he had been told he would have extra telephone time, petitioner admits he used the telephone twice as charged. Thus, this petition should be denied.

Accordingly, petitioner's objections are OVERRULED. The findings of fact and conclusions of law of the magistrate judge are correct and the report of the magistrate judge is ADOPTED. A final judgment will be entered in this case in accordance with the magistrate judge's recommendations.

So ORDERED and SIGNED this 3rd day of February, 2015.

ROBERT W. SCHROEDER III
UNITED STATES DISTRICT JUDGE
